

Campus Cuisine

Independent Lunch Service

Dear Students and Parents:

“Campus Cuisine” has served schools throughout the USA since 1996. We offer specialties from local restaurants, including natural and organic options, whenever possible. Choose from dozens of entrees and sides, which vary in portion size and price, so you can assemble lunches fitting your student’s appetite and your budget!

Campus Cuisine’s online ordering and payment process is extremely flexible. Orders may be placed up until 11:00 AM CDT the day before, and pre-ordered weekly, monthly or by semester. Changes and cancellations may also be made online.

Please visit our website at www.campuscuisine.net and follow the steps below to order for the 2014-2015 school year. The Session 1 menu for August – December, will be available on July 25, 2014. Please email kathryn@campuscuisine.net or call 866-876-6496 for more assistance.

1. New customers please click “Register” and create your family’s user name and password. **The Access Code is lunch101.** Existing customers go to step 2.
2. “Log in” and review the “Terms and Conditions”. The deadline for orders and cancellations is noon ET the day before. In the event of a timely cancellation for any reason, you will receive an account credit, redeemable for future orders during the same school year. Credits are non-refundable and expire at the end of each school year.
3. Add a student profile for each child. These must be recreated at the beginning of each school year to update the grade and delivery information.
4. “View Menu” if you wish to see and print the menu before ordering.
5. Click “Manage Orders” to add, change or cancel an order. Click on the raspberry to see the selections for that weekday. Click in the box for your choice, select the desired dates and proceed to the next day.
6. “Proceed to checkout” and enter a payment method. Options include VISA, MC and AMEX credit or debit cards. Submit your payment.
7. Please confirm your order on the calendar. Lunches should no longer say “pending”. After lunches have been delivered they can be viewed in “order history”.

Thank you for ordering Campus Cuisine!
